CHAPTER NO. 10

[SB 15]

AN ACT PROHIBITING THE PICKETING OF FUNERALS UNDER CERTAIN CIRCUMSTANCES; PROVIDING PENALTIES; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

WHEREAS, the Legislature reveres the rights of free speech, association, and privacy guaranteed or protected by both the state and federal constitutions; and

WHEREAS, the memorialization of a loved one is often a time of significant grief involving particularly somber and sacred rites and rituals, whether religious in nature or not; and

WHEREAS, people attending funerals, particularly loved ones and family members of the deceased, are involved in a circumstance of disquiet and grieving that civil society has traditionally recognized and accorded deepest respect and privacy; and

WHEREAS, the Legislature finds that it is likely that the circumstances of a funeral, including the gathering of many people at one place for solemn services during a time of mourning and emotional vulnerability, mean that picketing at a funeral subjects mourners to messages that the mourners are powerless to avoid and to which they are essentially captive, whether they agree with the messages or not; and

WHEREAS, it has been discovered that regardless of the picketers' message, picketing at a funeral to promote a position garners the picketers significant

attention to their message that they might not otherwise enjoy, not in the least by the fact that society finds such exploitation of another's grief shocking to the conscience; and

WHEREAS, the Legislature finds that funeral picketing may constitute a deliberate verbal or visual assault on funeral mourners who are powerless to avoid the assault; and

WHEREAS, the Legislature finds that the taking of unjust advantage of funeral mourners is a flagrant and egregious exploitation of grief that constitutes an assault that justifies proscription; and

WHEREAS, the Legislature recognizes the right of speakers to convey a message; and

WHEREAS, the Legislature recognizes the right of people to grieve and memorialize the death of a loved one; and

WHEREAS, the Legislature recognizes the need to carefully balance the rights of speakers against the privacy rights of those who may be unwilling and captive recipients of the speakers' message; and

WHEREAS, the Legislature finds that there is a significant government interest in preserving and protecting the sanctity and dignity of funeral services and in protecting funeral mourners from unwanted and unwarranted intrusion by strangers by narrowly tailoring the prohibition on funeral picketing for a relatively brief time period and only to a certain distance from funeral sites, thereby leaving open ample alternative channels of communication.

THEREFORE, the Legislature finds it necessary and right to enact this Right to Grieve in Privacy Act.

Be it enacted by the Legislature of the State of Montana:

Section 1. Funeral picketing — penalties. (1) A person commits the offense of funeral picketing if the person knowingly engages in picketing within 1,500 feet of any property boundary entrance to or exit from a funeral site during the period from 1 hour before the scheduled commencement of the funeral services until 1 hour after the actual completion of the funeral services.

(2) A person convicted of funeral picketing shall be fined an amount not less than $250 and not more than $1,000 or be imprisoned in the county jail for a term not to exceed 12 months, or both.

(3) This section does not affect any proceeding against a person for violation of any other provision of law. A district court may enjoin conduct proscribed by this section.

(4) In addition to, and not in lieu of, the penalties provided for in subsection (2), a district court may in a civil action award damages, including punitive damages, attorney fees, and other appropriate relief, to a person who suffers injury as a result of activity that may be a violation of this section.

(5) As used in this section, the following definitions apply:

(a) "Funeral" or "funeral services" means the ceremonies, rituals, and memorial services held in connection with the memorial of a deceased person or in connection with the burial, cremation, or other disposition of a human body, including the assembly and dispersal of the persons attending the funeral.

(b) "Funeral site" means a church, synagogue, mosque, funeral home, mortuary, cemetery, gravesite, mausoleum, or other public or private place where a funeral is conducted.

(c) "Picketing" means the making of any noise or diversion that can reasonably be expected to disturb a funeral by:

(i) standing, sitting, or repeated walking, riding, driving, or other similar action by a person displaying or carrying a banner, placard, flag, sign, or similar device that is not a part of the funeral services;

(ii) engaging, with or without the use of a sound amplification device, in loud oration, speech, singing, chanting, whistling, or yelling that is not part of the funeral services;

(iii) distributing any handbill, pamphlet, leaflet, or other written or printed material other than written material that is distributed as part of the funeral services; or

(iv) obstructing or preventing the intended uses of a public street, public sidewalk, or other public space.

Section 2. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 45, chapter 8, part 1, and the provisions of Title 45, chapter 8, part 1, apply to [section 1].

Section 3. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 4. Effective date. [This act] is effective on passage and approval.

Section 5. Applicability. [This act] applies to offenses committed on or after [the effective date of this act].

(12) A sole proprietor or a working member of a partnership working under a professional employer arrangement may not receive unemployment insurance benefits unless the individual would otherwise be entitled to benefits if the professional employer arrangement did not exist.

(13) If the professional employer organization or group or the client complies with the provisions of 39-71-401 with respect to a worker under the professional employer arrangement, the professional employer organization or group and the client, with respect to those workers, are not uninsured employers, as defined in 39-71-501, and are not subject to the provisions of 39-71-508 or 39-71-515."

[HB 419]

AN ACT ALLOWING A TOWN OR THIRD-CLASS CITY TO PLACE GAS TAX FUNDS IN A RESTRICTED ASSET ACCOUNT WITHIN THE GAS TAX APPORTIONMENT FUND UNTIL AN EXPENDITURE IS NEEDED; AMENDING SECTION 15-70-101, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-101, MCA, is amended to read:

"15-70-101. Disposition of funds. (1) All taxes collected under this chapter must, in accordance with the provisions of 15-1-501, be placed in a highway revenue account in the state special revenue fund to the credit of the department of transportation. All interest and income earned on the account must be deposited to the credit of the account and any unexpended balance in the account must remain in the account. Those funds allocated to cities, towns, counties, and consolidated city-county governments in this section must, in accordance with the provisions of 15-1-501, be paid by the department of

transportation from the state special revenue fund to the cities, towns, counties, and consolidated city-county governments.

(2) The amount of $16,766,000 of the taxes collected under this chapter is statutorily appropriated, as provided in 17-7-502, to the department of transportation and must be allocated each fiscal year on a monthly basis to the counties, incorporated cities and towns, and consolidated city-county governments in Montana for construction, reconstruction, maintenance, and repair of rural roads and city or town streets and alleys, as provided in subsections (2)(a) through (2)(c):

(a) The amount of $100,000 must be designated for the purposes and functions of the Montana local technical assistance transportation program in Bozeman.

(b) The amount of $6,306,000 must be divided among the various counties in the following manner:

(i) 40% in the ratio that the rural road mileage in each county, exclusive of the national highway system and the primary system, bears to the total rural road mileage in the state, exclusive of the national highway system and the primary system;

(ii) 40% in the ratio that the rural population in each county outside incorporated cities and towns bears to the total rural population in the state outside incorporated cities and towns;

(iii) 20% in the ratio that the land area of each county bears to the total land area of the state.

(c) The amount of $10,360,000 must be divided among the incorporated cities and towns in the following manner:

(i) 50% of the sum in the ratio that the population within the corporate limits of the city or town bears to the total population within corporate limits of all the cities and towns in Montana;

(ii) 50% in the ratio that the city or town street and alley mileage, exclusive of the national highway system and the primary system, within corporate limits bears to the total street and alley mileage, exclusive of the national highway system and primary system, within the corporate limits of all cities and towns in Montana.

(3) (a) For the purpose of allocating the funds in subsections (2)(b) and (2)(c) to a consolidated city-county government, each entity must be considered to have separate city and county boundaries. The city limit boundaries are the last official city limit boundaries for the former city unless revised boundaries based on the location of the urban area have been approved by the department of transportation and must be used to determine city and county populations and road mileages in the following manner:

(i) Percentage factors must be calculated to determine separate populations for the city and rural county by using the last official decennial federal census population figures that recognized an incorporated city and the rural county. The factors must be based on the ratio of the city to the rural county population, considering the total population in the county minus the population of any other incorporated city or town in the county.

(ii) The city and county populations must be calculated by multiplying the total county population, as determined by the latest official decennial census or the latest interim year population estimates from the Montana department of

commerce as supplied by the United States bureau of the census, minus the population of any other incorporated city or town in that county, by the factors established in subsection (3)(a)(i).

(b) The amount allocated by this method for the city and the county must be combined, and single monthly payments must be made to the consolidated city-county government.

(4) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be used for the construction, reconstruction, maintenance, and repair of rural roads or city or town streets and alleys or for the share that the city, town, county, or consolidated city-county government might otherwise expend for proportionate matching of federal funds allocated for the construction of roads or streets that are part of the primary or secondary highway system or urban extensions to those systems. The governing body of a town or third-class city, as defined in 7-1-4111, may each year expend no more than 25% of the funds allocated to that town or third-class city for the purchase of capital equipment and supplies to be used for the maintenance and repair of town or third-class city streets and alleys. *The governing body of a town or third-class city may place all or a part of the 25% in a restricted asset account within the gas tax apportionment fund that is carried forward until there is a need for the expenditure.*

(5) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be disbursed to the lowest responsible bidder according to applicable bidding procedures followed in all cases in which the contract for construction, reconstruction, maintenance, or repair is in excess of $25,000.

(6) For the purposes of this section in which distribution of funds is made on a basis related to population, the population must be determined annually for counties and biennially for cities according to the latest official decennial census or the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(7) For the purposes of this section in which determination of mileage is necessary for distribution of funds, it is the responsibility of the cities, towns, counties, and consolidated city-county governments to furnish to the department of transportation a yearly certified statement indicating the total mileage within their respective areas applicable to this chapter. All mileage submitted is subject to review and approval by the department of transportation.

(8) Except by a town or third-class city as provided in subsection (4), the funds authorized by this section may not be used for the purchase of capital equipment.

(9) Funds authorized by this section must be used for construction and maintenance programs."

Section 2. Effective date. [This act] is effective July 1, 2007.

(b) (i) "Class" refers to the classes of utilization of milk that the department shall define by rule.

(ii) In adopting rules under this subsection (1)(b), the department shall use the current definitions of classes of utilization of milk that are found in Title 7 CFR, part 1000.40, except that the department may combine any of the classes of milk provided for in the federal definitions into a single class.

~~(e)~~*(c)* "Consumer" means a person or an agency, other than a dealer, who purchases milk for consumption or use.

~~(f)~~*(d)* "Dealer" means a producer, distributor, producer-distributor, jobber, or independent contractor.

~~(h)~~*(f)* "Licensee" means a person who holds a license from the department.

~~(i)~~*(g)* "Market" means an area of the state designated by the department as a natural marketing area.

(2) The department may assign new milk products~~, not expressly included in one of the classes defined in this section,~~ to the class that ~~in its discretion it determines to be~~ *the department considers* proper."

Section 2. Section 81-23-302, MCA, is amended to read:

"81-23-302. Establishment of minimum prices. (1) The board shall*, by adopting rules,* fix minimum producer prices for ~~class I, class II, and class III milk by adopting rules in a manner prescribed by the Montana Administrative Procedure Act~~ *classes of utilization of milk as defined by the department*.

(2) The board shall establish prices by means of flexible formulas that must be devised so that ~~they~~ *the formulas* bring about automatic changes in all minimum prices that are justified on the basis of changes in production, supply, processing, distribution, and retailing costs.

(3) The board shall consider the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states so that minimum prices that are fair and equitable to producers and consumers may result.

(4) The board shall, when publishing notice of proposed rulemaking under authority of this section, set forth the specific factors that must be taken into consideration in establishing the formulas and, in particular, in determining costs of production and of the actual dollars and cents costs of production that preliminary studies and investigations of auditors or accountants in ~~its~~ *the department's* employment indicate will or should be shown at the hearing so that all interested parties will have *an* opportunity to be heard and to question or rebut the considerations as a matter of record.

(5) Specific factors may include but are not limited to the following items:

(a) current and prospective supplies of milk in relation to current and prospective demands for milk for all purposes;

(b) the cost factors in producing milk, which must include among other things the prices paid by farmers generally, as used in parity calculations of the United States department of agriculture, prices paid by farmers for dairy feed in particular, and farm wage rates in this state;

(c) the alternative opportunities, both farm and nonfarm, open to milk producers, which must include among other things the prices received by farmers for all products other than milk, the prices received by farmers for beef cattle, and the percentage of unemployment in the state and nation as determined by appropriate state and federal agencies;

(d) the prices of butter, nonfat dry milk, and cheese;

(e) the need, if any, for freight or transportation charges to be deducted by distributors from producer prices for bulk milk.

(6) If the board at any time proposes to base all or part of an official order establishing or revising milk pricing formulas upon facts within its own knowledge, as distinguished from evidence that may be presented to it by the consuming public or the milk industry, the board shall, when publishing notice of proposed rulemaking under authority of this section, notify the consuming public and the milk industry of the specific facts within its own knowledge that it will consider~~,~~ so that all interested parties will have *an* opportunity to be heard and to question or rebut the facts as a matter of record.

(7) The board, after consideration of the evidence produced, shall make written findings and conclusions and shall fix by official rule the formula under which minimum producer prices for milk ~~in classes I, II, and III~~ must be computed.

(8) This section may not be construed as requiring the board to promulgate a specific number of formulas, but it must be construed liberally so that the board may adopt a reasonable method of expression to accomplish the objective set forth in subsection (7).

(9) Each rule establishing or revising milk pricing formulas must classify milk by forms, classes, grades, or uses as the board considers advisable and must specify the minimum prices for the forms, classes, grades, and uses.

(10) Distributors who have processing facilities in this state shall, whenever possible, purchase milk from Montana producers for the processing of products to be sold in this state~~, provided that~~ *if* milk is available from Montana producers at the price set by the board.

(11) The board shall adopt rules ~~after notice and hearing in the manner prescribed by the Montana Administrative Procedure Act~~ to regulate transportation rates that distributors, contract haulers, and others charge producers for interplant transportation of milk. An allowance for transportation of milk between plants may not be permitted unless it is found by the board to be necessary to permit the movement of milk in the public interest. The board may promulgate rules regarding the requirement for first call on Montana milk supplies, as provided in subsection (10). Rules must be coordinated with those adopted pursuant to fair trade practices under 81-23-303.

(12) All milk purchased by a distributor must be purchased on a uniform basis. The basis to be used must be established by the board after the producers and the distributors have been consulted.

(13) The board may amend ~~an official~~ *a* rule in the same manner provided in this section for the original establishment of milk pricing formulas. The board may in its discretion, when it determines that the need exists, give notice of and hold statewide public hearings affecting establishment or revision of milk pricing formulas.

(14) Upon petition of a distributor or a majority of a distributor's producers, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a base or quota plan as a method of payment by that distributor of producer prices. If the board finds that the evidence presented at the hearing warrants the establishment of a base or quota plan, the board shall proceed by ~~official~~ order to establish the base or quota plan.

(15) (a) Upon petition by 10% or 20 of the licensed producers in Montana, whichever is less, or upon petition by a licensed producer-distributor or distributor, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a statewide pooling arrangement as a method of payment of producer prices, provided that at the hearing, the board shall, among other things, specifically receive and consider evidence concerning production and marketing practices that have historically prevailed statewide. If the board finds that the evidence presented at the hearing warrants the establishment of a statewide pooling arrangement, the board shall proceed by ~~official~~ order to establish the arrangement. An ~~official~~ order is not effective until it is approved in a referendum conducted by the board by mail among affected producers, producer-distributors, and distributors. The ~~official~~ order must be approved by a majority of the producers, producer-distributors, and distributors voting, representing more than 50% of the milk produced in Montana that is to be included in the proposed pool, based on each producer's average monthly production for the 12 months immediately preceding the referendum. If the board finds it necessary, the board may conduct more than one referendum on any order.

(b) The order of the board establishing the statewide pooling arrangement may include other provisions that the board considers necessary for the proper and efficient operation of the pool. These provisions may include but are not limited to:

(i) a statewide base or quota plan contemplated in subsection (14);

(ii) the establishment of a pool settlement fund to be administered by the department for the purpose of receiving payments from pool distributors or making payments to them as necessary in order to operate and administer the statewide pool; and

(iii) the establishment of a pool expense fund for the purpose of offsetting the costs to the department of administering the pool, funded by a special levy assessed against each pool producer.

(c) During the initial startup of a statewide pool, the department may draw from existing cash reserves to fund a pool settlement fund and a pool expense fund, but withdrawals from the cash reserve must be reimbursed.

(d) An order of the board establishing a statewide pooling arrangement that has been approved in a referendum may be rescinded in the same manner as provided for approval of the order under subsection (15)(a). The order may be amended without a referendum if, prior to amending the order, the board gives written notice of its intended action and holds a public hearing ~~as required under the Montana Administrative Procedure Act~~.

(16) The requirements of this section concerning notices of hearings for the establishment of milk pricing formulas apply to any hearings regarding base or quota plans or statewide pooling arrangements or abandonment of base or quota plans or statewide pooling arrangements.

(17) Rules adopted pursuant to this section must be enforced and audited for compliance by the department."

(2) In addition to dismissal under 49-2-501(5) or 49-2-504(7)(b), the department shall dismiss a complaint if:

An aggrieved party with respect to the issues to be determined in a civil action brought by the department may intervene in the action.

The computation of the 2-year period does not include any time during which an administrative proceeding under this title was pending with respect to a complaint alleging a violation of 49-2-305. The tolling of the time limit for commencing a civil action does not apply to actions arising from breach of a conciliation agreement.

(b) An aggrieved party may commence a civil action under this subsection *(5)* for a violation of 49-2-305 whether or not a complaint has been filed under 49-2-501 and without regard to the status of a complaint filed with the department, except as provided in subsection (5)(d). If the department has obtained a conciliation agreement with the consent of the aggrieved party, an action may not be filed under this subsection *(5)* by the aggrieved party regarding the alleged violation of 49-2-305 that forms the basis for the complaint except for the purpose of enforcing the terms of the agreement.

(c) The commission or the department may not continue administrative proceedings on a complaint after the filing of a civil action commenced by the aggrieved party under this subsection (5) seeking relief with respect to the same alleged violation of 49-2-305.

(d) An aggrieved party may not commence a civil action under this subsection (5) with respect to an alleged violation of 49-2-305 if the commission or the department has commenced a hearing on the record under 49-2-505 regarding the same complaint.

(i) appoint an attorney for the applicant and the respondent; or

(ii) authorize the commencement or continuation of a civil action without the payment of fees, costs, or security if, in the opinion of the court, the party is financially unable to bear the costs of the civil action. The court may also award attorney fees *and costs* to the substantively prevailing party.

(7) ~~(a) Except as provided in subsection (7)(b), all~~ *All* civil *damages* and ~~administrative~~ penalties ~~and other revenue generated under this part~~, *monetary or otherwise, awarded under this section to an organization that is not an aggrieved party* must be deposited in the state general fund.

(1) "Agreement" means a signed contract that is valid under Montana law between a coal mine operator and a purchaser or broker for the sale of coal that is produced in Montana.

(2) (a) "Base consumption level" for a purchaser, except as provided in subsection (2)(b), applies only for the term of an agreement in effect as of December 31, 1984, and means the lesser of:

(i) the volume of coal purchased during calendar year 1986 from all Montana coal mine operators; or

(ii) the greater of:

(A) the arithmetic average volume of coal purchased during calendar years 1983 and 1984 from all Montana coal mine operators; or

(B) 90% of the maximum tonnage provided for in any agreement executed prior to January 1, 1985, for which the highest scheduled minimum quantity of coal stipulated by the terms of the agreement as they existed on January 1, 1985, has not been purchased at any time during the term of the agreement, plus the arithmetic average volume of coal purchased during calendar years 1983 and 1984 from all Montana coal mine operators under all other agreements.

(b) If the volume calculated in subsection (2)(a)(i) is less than one-third of the volume calculated in subsection (2)(a)(ii), the base consumption level is the volume calculated in subsection (2)(a)(ii).

(3) (a) Except as provided in subsection (3)(b), "base production level" for a coal mine operator applies only for the term of an agreement in effect as of December 31, 1984, and means the lesser of:

(i) the arithmetic average volume of coal produced in Montana and sold to a purchaser in calendar years 1983 and 1984; or

(ii) the volume of coal produced in Montana and sold to a purchaser in 1986.

(b) If the amount calculated in subsection (3)(a)(ii) is less than one-third of the amount calculated in subsection (3)(a)(i), the base production level is the amount calculated in subsection (3)(a)(i).

(4) "Broker" means any person who resells Montana coal.

(5) "Contract sales price" means either the price of coal extracted and prepared for shipment f.o.b. mine, excluding that amount charged by the seller to pay taxes paid on production, or a price imputed by the department under 15-35-107. Contract sales price includes all royalties paid on production, no matter how the royalties are calculated. However, with respect to royalties paid to the government of the United States, the state of Montana, or a federally recognized Indian tribe, the contract sales price includes ~~only:~~

~~(a) for quarterly periods ending on and after September 30, 1984, 15 cents per ton plus 75% of the difference between 15 cents per ton and the amount of federal, state, and tribal government royalties actually paid;~~

~~(b) for quarterly periods ending on and after September 30, 1985, 15 cents per ton plus 50% of the difference between 15 cents per ton and the amount of federal, state, and tribal government royalties actually paid;~~

(6) "Department" means the department of revenue.

(7) "Energy conversion process" includes any process by which coal in the solid state is transformed into slurry, gas, electrical energy, or any other form of energy.

(8) "Incremental production" means that quantity of coal produced annually by a coal mine operator and sold to a qualified purchaser that exceeds the base production level of the coal mine operator for that purchaser, but only to the extent the quantity of coal exceeds that purchaser's base consumption level from all Montana producers.

(9) "Produced" means severed from the earth.

(10) "Purchaser" means a person who purchases or contracts to purchase Montana coal directly from a coal mine operator or indirectly from a broker and who utilizes that coal in any industrial, commercial, or energy conversion process. A coal broker or any other third party intermediary is not a purchaser under the provisions of this chapter.

(11) "Qualified purchaser" means a purchaser whose purchases of Montana coal in any given year exceed the purchaser's base consumption level. A purchaser of Montana coal who enters into a coal agreement with another purchaser or a broker that causes a reduction in the base consumption level of a purchaser is not a qualified purchaser.

(12) "Strip mining" is defined in 82-4-203 and includes "surface mining".

(13) "Taxes paid on production" includes any tax paid to the federal, state, or local governments upon the quantity of coal produced as a function of either the volume or the value of production and does not include any tax upon the value of mining equipment, machinery, or buildings and lands, any tax upon a person's net income derived in whole or in part from the sale of coal, or any license fee.

"16-2-101. Establishment and closure of agency liquor stores — agency franchise agreement — kinds and prices of liquor. (1) The department shall enter into agency franchise agreements to operate agency liquor stores as the department finds feasible for the wholesale and retail sale of liquor.

(2) (a) The department may from time to time fix the posted prices at which the various classes, varieties, and brands of liquor may be sold, and the posted prices must be the same at all agency liquor stores.

(b) (i) The department shall supply from the state liquor warehouse to agency liquor stores the various classes, varieties, and brands of liquor for resale at the state posted price to persons who hold liquor licenses and to all other persons at the retail price established by the agent.

(ii) (A) According to the ordering and delivery schedule set by the department, an agency liquor store may place a liquor order with the department at its state liquor warehouse in the manner to be established by the department.

(B) The agency liquor store's purchase price is the department's posted price less the agency liquor store's commission rate and less the agency liquor store's

~~weighed~~ *weighted* average discount ratio. For purposes of this subsection (2)(b)(ii)(B), for agency liquor stores or employee-operated state liquor stores that were operating on June 30, 1994, the weighted average discount ratio is the ratio between an agency liquor store's or the employee-operated state liquor store's full case discount sales divided by the agency liquor store's or employee-operated state liquor store's gross sales, based on fiscal year 1994 reported sales, times the state discount rate for case lot sales, as provided in 16-2-201, divided by the state discount rate for full case lot sales in effect on June 30, 1994. For all other stores that are placed in service after June 30, 1994, the weighted average discount ratio is the average ratio in fiscal year 1994 for similar sized stores for 1 year of operation. The weighted *average* discount ratio must be computed on the store's first 12 months of operation.

(C) All liquor purchased from the state liquor warehouse by an agency liquor store must be paid for within 60 days of the date on which the department invoices the liquor to the agency liquor store.

(c) An agency liquor store may sell table wine at retail for off-premises consumption.

(3) Agency liquor stores may not be located in or adjacent to grocery stores in communities with populations over 3,000.

(4) Agency liquor stores must receive commissions payable as follows:

(a) (i) a 10% commission for agencies in communities with less than 3,000 in population, unless adjusted pursuant to subsection (6); or

(ii) a commission established by competitive bidding unless adjusted pursuant to subsection (6) for agencies in communities with 3,000 or more in population; plus

(b) for agency liquor stores operating under a renewed franchise agreement or that have been operated for at least 3 years under an original franchise agreement, a percentage based upon the total annual dollar volume of sales in the previous fiscal year, as follows:

(i) for agency liquor stores with a volume of sales of $500,000 or more, ~~0.125% beginning July 1, 2002, 0.5% beginning July 1, 2003, and~~ 0.875% beginning July 1, 2004;

(ii) for agency liquor stores with a volume of sales of less than $500,000, ~~1.25% beginning July 1, 2002, 1.25% beginning July 1, 2003, and~~ 1.5% beginning July 1, 2004; or

(iii) for a city with more than one agency liquor store, in lieu of the addition to a commission increase provided in subsection (4)(b)(i) or (4)(b)(ii), for each *agency liquor* store in the city, an addition to its commission rate equal to the increase granted the *agency liquor* store with the lowest commission rate.

(5) An agency franchise agreement must:

(a) be effective for a 10-year period and must be renewed at the existing commission rate for additional 10-year periods if the requirements of the agency franchise agreement have been satisfactorily performed;

(b) require the agent to maintain comprehensive general liability insurance and liquor liability insurance throughout the term of the agency franchise agreement in an amount established by the department of administration. The insurance policy must:

(i) declare the department as an additional insured; and

(ii) hold the state harmless and agree to defend and indemnify the state in a cause of action arising from or in connection with the agent's negligent acts or activities in the execution and performance of the agency franchise agreement.

(c) provide that upon termination by the department for cause or upon mutual termination, the agent is liable for any outstanding liquor purchase invoices. If payment is not made within the appropriate time, the department may immediately repossess all liquor inventory, wherever located.

(d) specify the reasonable service and space requirements that the agent will provide throughout the term of the agency franchise agreement.

(6) (a) The commission percentage that the department pays the agent under subsection (4)(a) may be reviewed ~~on July 1, 1998, and~~ every ~~succeeding~~ 3 years at the request of either party. If the agent concurs, the department may adjust the commission percentage to be paid during the remaining term of the agency franchise agreement or until the next time the commission percentage is reviewed, if that is sooner than the term of the agency franchise agreement, to a commission percentage that is equal to the average commission percentage being paid agents with similar sales volumes if:

(i) the agent's commission percentage is less than the average; and

(ii) all the requirements of the agency franchise agreement have been satisfactorily performed.

(b) The adjusted commission percentage determined under subsection (6)(a) may be greater than the average commission paid agents with similar sales volume:

(i) if the agent demonstrates that:

(A) the agent has experienced cost increases that are beyond the agent's control, including but not limited to increases in the federally established minimum wage or escalation in prevailing rent; and

(B) the average commission percentage is insufficient to yield net income commensurate with net income experienced before the cost increases occurred; and

(ii) if the department demonstrates that it is unable to indicate adjustments in the requirements specified in the agent's franchise agreement that will eliminate the impact of cost increases.

(7) The liability insurance requirement may be reviewed every 3 years ~~after July 1, 1995,~~ at the request of either the agent or the department. If the agent concurs, the department may adjust the requirements to be effective during the remaining term of the agency franchise agreement if the adjustments adequately protect the state from risks associated with the agent's negligent acts or activities in the execution and performance of the agency franchise agreement. The amount of liability insurance coverage may not be less than the minimum requirements of the department of administration.

(8) (a) The department may terminate an agency franchise agreement if the agent has not satisfactorily performed the requirements of the agency franchise agreement because the agent:

(i) charges retail prices that are less than the department's posted price for liquor, sells liquor to persons who hold liquor licenses at less than the posted price, or sells liquor at case discounts greater than the discount provided for in 16-2-201 to persons who hold liquor licenses;

(ii) fails to maintain sufficient liability insurance;

(iii) has not maintained a quantity and variety of product available for sale commensurate with demand, delivery cycle, repayment schedule, mixed case shipments from the department, and the ability to purchase special orders;

(iv) at an agency liquor store located 35 miles or more from the nearest agency liquor store, has operated the agency liquor store in a manner that makes the premises unsanitary or inaccessible for the purpose of making purchases of liquor; or

(v) fails to comply with the express terms of the agency franchise agreement.

(b) The department shall give an agent 30 days' notice of its intent to terminate the agency franchise agreement for cause and specify the unmet requirements. The agent may contest the termination and request a hearing within 30 days of the date of notice. If a hearing is requested, the department shall suspend its termination order until after a final decision has been made pursuant to the Montana Administrative Procedure Act.

(c) In the case of failure to make timely payments to the department for liquor purchased, the department may terminate the agency franchise agreement and immediately repossess any liquor purchased and in the possession of the agent. If an agency franchise agreement is terminated, the agent may contest the termination and request a hearing within 30 days of the department's repossession of the liquor. The agency liquor store shall remain closed until a final decision has been reached following a hearing held pursuant to the Montana Administrative Procedure Act.

(9) An agency franchise agreement may be terminated upon mutual agreement by the agent and the department.

(10) An agent may assign an agency franchise agreement to a person who, upon approval of the department, is named agent in the agency franchise agreement, with the rights, privileges, and responsibilities of the original agent for the remaining term of the agency franchise agreement. The agent shall notify the department of an intent to assign the agency franchise agreement 60 days before the intended effective date of the assignment. The department may not unreasonably withhold approval of an assignment request.

(11) A person or entity may not hold an ownership interest in more than one agency liquor store.

(12) The department shall maintain sufficient inventory in the state warehouse in order to meet a monthly service level of at least 97%."

(iii) the productivity of the land prior to mining, including appropriate classification as prime farm land, as well as the average yield of food, fiber, forage, or wood products from land under high levels of management;

(q) a coal conservation plan; and

(r) other or further information as the department may require.

The certification must be signed and notarized. The department may reject a map as incomplete if its accuracy is not attested.

(n) contain other or further information as the department may require.

(3) If the department finds that the probable total annual production at all locations of any strip-mining or underground-coal-mining operation applied for will not exceed 100,000 tons, any determination of probable hydrologic consequences that the department requires and the statement of result of test borings or core samplings must, upon written request of the operator, be performed by a qualified public or private laboratory designated by the department. (5) Each applicant for a coal mining permit shall submit as part of the application a certificate issued by an insurance company authorized to do business in the state, certifying that the applicant has in force for the strip-mining or underground-mining and reclamation operations for which the permit is sought a public liability insurance policy or evidence that the applicant has satisfied other state or federal self-insurance requirements. This policy must provide for personal injury and property damage protection in an amount adequate to compensate any persons damaged as a result of strip-mining or underground-coal-mining and reclamation operations, including use of explosives, and entitled to compensation under applicable provisions of state law. The permittee shall maintain the policy in full force and effect during the term of the permit and any renewal until all reclamation operations have been completed.

(6) An applicant may revise an application for a permit, a permit amendment, or a permit revision that is pending on January 1, 2004, in order to incorporate the provisions of this part.

(7) A permittee may apply to revise and the department may approve an application to incorporate the provisions of this part into a reclamation plan approved before January 1, 2004. The reclamation plan may be revised whether or not reclamation has been completed pursuant to the reclamation plan.

[HB 62]

AN ACT PROVIDING THAT VACATION LEAVE MAY BE DONATED TO A NONREFUNDABLE SICK LEAVE FUND; PROVIDING THAT DONATED VACATION LEAVE IS NOT ELIGIBLE FOR CASH COMPENSATION UPON TERMINATION; AMENDING SECTIONS 2-18-617 AND 2-18-618, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-617, MCA, is amended to read:

"2-18-617. Accumulation of leave — cash for unused — transfer. (1) (a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee is entitled upon the date of termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611. *Vacation leave contributed to the sick leave fund, provided for in 2-18-618, is nonrefundable and is not eligible for cash compensation upon termination.*

(3) ~~However, if~~ *If* an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the accrued vacation credits transferred with the employee.

(4) An employee may contribute accumulated vacation leave to a nonrefundable sick leave fund provided for in 2-18-618. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, adopt rules to implement this subsection.

~~(4)~~*(5)* This section does not prohibit a school district from providing cash compensation for unused vacation leave in lieu of the accumulation of the leave, either through a collective bargaining agreement or, in the absence of a collective bargaining agreement, through a policy."

Section 2. Section 2-18-618, MCA, is amended to read:

"2-18-618. Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of

working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) A short-term worker may not earn sick leave credits.

(6) Except as otherwise provided in 2-18-1311, an employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the employee's salary or wage at the time the employee terminates employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any sick leave rights or benefits accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, the employee is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(7) An employee who receives a lump-sum payment pursuant to this section or who, pursuant to 2-18-1311, converts unused sick leave to employer contributions to a health care expense trust account and who is again employed by any agency may not be credited with sick leave for which the employee has previously been compensated or for which the employee has received an employer contribution to the health care expense trust account.

(8) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(9) An employee of a state agency may contribute any portion of the employee's accumulated sick leave *or accumulated vacation leave* to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts the employee's accumulated sick leave, irrespective of the employee's membership or nonmembership in the employee welfare benefit plan established pursuant to 2-18-1304. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(10) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave *or vacation leave*."

Section 3. Effective date. [This act] is effective July 1, 2007.

(1) In recognition of the benefit of fair competition among business competitors and the public policy of this state providing for enforcement of workers' compensation insurance coverage requirements, the legislature finds that it is reasonable to allow access by authorized employees of the department onto construction sites for the purpose of determining whether workers are appropriately covered by workers' compensation insurance or a valid exemption from insurance coverage.

(2) In order to determine if proper workers' compensation insurance coverage is in place or if a valid exemption is held by a worker present on a construction site, authorized employees of the department may enter onto any construction site for which a construction permit is required or has been issued.

(3) The department is authorized to collect from insurers, employers, medical providers, the legal profession, and others the information necessary to generate the workers' compensation database system.

(4) The workers' compensation database system must be designed in accordance with the following principles:

(a) avoidance of duplication and inconsistency;

(b) reasonable availability of data elements;

The liability of the insurer for payment of medical and burial benefits as provided in this chapter is limited to those benefits arising from services rendered during the period of 104 weeks after the date of injury. The liability of the insurer for payment of benefits as provided in this chapter is limited to 104 weeks of compensation benefits actually paid. Thereafter, all compensation and the cost of all medical care and burial are the liability of the fund.

(2) The liability of the fund for reimbursement under this section is limited to the amount currently in the fund at the time the reimbursement request is received by the fund and the amount collectible in the next assessment period pursuant to 39-71-915."

Section 8. Section 39-71-915, MCA, is amended to read:

"39-71-915. Assessment of insurer — employers — definition — collection. (1) As used in this section, "paid losses" means the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act without regard to the application of any deductible, regardless of whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of $200,000 for each occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(2) The fund must be maintained by assessing each plan No. 1 employer, each employer insured by a plan No. 2 insurer, plan No. 3, the state fund, with respect to claims arising before July 1, 1990, and each employer insured by plan No. 3, the state fund. The assessment amount is the total amount paid by the fund in the preceding fiscal year and the expenses of administration less other realized income that is deposited in the fund. The total assessment amount to be collected must be allocated among plan No. 1 employers, plan No. 2 employers, plan No. 3, the state fund, and plan No. 3 employers, based on a proportionate

share of paid losses for the calendar year preceding the year in which the assessment is collected. The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(3) On or before May 31 each year, the department shall notify each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund, of the amount to be assessed for the ensuing fiscal year. The amount to be assessed against the state fund must separately identify the amount attributed to claims arising before July 1, 1990, and the amount attributable to state fund claims arising on or after July 1, 1990. On or before April 30 each year, the department, in consultation with the advisory organization designated under 33-16-1023, shall notify plan No. 2 insurers and plan No. 3 of the premium surcharge rate to be effective for policies written or renewed on and after July 1 in that year.

(4) The portion of the plan No. 1 assessment assessed against an individual plan No. 1 employer is a proportionate amount of total plan No. 1 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 1 employer bore to the total paid losses of all plan No. 1 employers during the preceding calendar year.

(5) The portion of the assessment attributable to state fund claims arising before July 1, 1990, is the proportionate amount that is equal to the percentage that total paid losses for those claims during the preceding calendar year bore to the total paid losses for all plans in the preceding calendar year. As required by 39-71-2352, the state fund may not pass along to insured employers the cost of the subsequent injury fund assessment that is attributable to claims arising before July 1, 1990.

(6) The remaining portion of the assessment must be paid by way of a surcharge on premiums paid by employers being insured by a plan No. 2 insurer or plan No. 3, the state fund, for policies written or renewed annually on or after July 1. The surcharge rate must be computed by dividing the remaining portion of the assessment by the total amount of premiums paid by employers insured under plan No. 2 or plan No. 3 in the previous calendar year. The numerator for the calculation must be adjusted as provided by subsection (9).

(7) Each plan No. 2 insurer providing workers' compensation insurance and plan No. 3, the state fund, shall collect from its policyholders the assessment premium surcharge provided for in subsection (6). When collected, the assessment premium surcharge may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers. The total of this assessment premium surcharge must be stated as a separate cost on an insured employer's policy or on a separate document submitted by the insured employer and must be identified as "workers' compensation subsequent injury fund surcharge". Each assessment premium surcharge must be shown as a percentage of the total workers' compensation policyholder premium. This assessment premium surcharge must be collected at the same time and in the same manner that the premium for the coverage is collected. The assessment premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the assessment premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium. If an employer fails to remit to an insurer the total amount due for the premium and assessment premium surcharge, the

amount received by the insurer must be applied to the assessment premium surcharge first and the remaining amount applied to the premium due.

(8) (a) All assessments paid to the department must be deposited in the fund.

(b) Each plan No. 1 employer shall pay its assessment by July 1.

(c) Each plan No. 2 insurer and plan No. 3, the state fund, shall remit to the department all assessment premium surcharges collected during a calendar quarter by not later than 20 days following the end of the quarter.

(d) The state fund shall pay the portion of the assessment attributable to claims arising before July 1, 1990, by July 1.

(e) If a plan No. 1 employer, a plan No. 2 insurer, or plan No. 3, the state fund, fails to timely pay to the department the assessment or assessment premium surcharge under this section, the department may impose on the plan No. 1 employer, the plan No. 2 insurer, or plan No. 3, the state fund, an administrative fine of $100 plus interest on the delinquent amount at the annual interest rate of 12%. Administrative fines and interest must be deposited in the fund.

(9) The amount of the assessment premium surcharge actually collected pursuant to subsection (7) must be compared each year to the amount assessed and upon which the premium surcharge was calculated. The amount undercollected or overcollected in any given year must be used as an adjustment to the numerator provided for by subsection (6) for the following year's assessment premium surcharge.

(10) If the total assessment is less than ~~$200,000~~ *$500,000* for any year, the department may defer the assessment amount for that year and add that amount to the assessment amount for the subsequent year."

Section 9. Codification instruction. [Sections 1 and 2] are intended to be codified as an integral part of Title 39, chapter 71, and the provisions of Title 39, chapter 71, apply to [sections 1 and 2].

Section 10. Effective date. [This act] is effective July 1, 2007.

Section 11. Applicability. [Sections 4 and 6] apply to injuries and occupational diseases occurring on or after July 1, 2007.

Section 3. Section 61-3-103, MCA, is amended to read:

"61-3-103. Filing of security interests — perfection — rights — procedure — fees. (1) (a) Except as provided in subsection (2), the department, its authorized agent, or a county treasurer shall, upon payment of the fee required by subsection (8), enter a voluntary security interest or lien against the electronic record of title for a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile upon receipt of a written acknowledgment by a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile owner of a voluntary security interest or lien on a form required by the department. The entry may be made if:

(i) the person is applying for a certificate of title and the manufacturer's certificate of origin or a certificate of title is being surrendered; or

(ii) a transfer of ownership is not sought.

(b) After the voluntary security interest or lien has been entered on the electronic record of title for the motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile, the department, its authorized agent, or a county treasurer shall issue a transaction summary receipt to the owner and, if requested, to the secured party or lienholder, showing the date that the security interest or lien was perfected.

(c) A voluntary security interest or lien is perfected on the date that the department, its authorized agent, or a county treasurer receives the written acknowledgment of the voluntary security interest or lien from the owner of the motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile.

(d) Unless a person applying for a certificate of title requests issuance of a certificate of title under 61-3-201, the department may not record a voluntary security interest or lien on the face of a certificate of title.

(2) A security interest in a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile held as inventory by a dealer licensed under Title 23, chapter 2, part 5, 6, or 8, or chapter 4 of this title must be perfected in accordance with Title 30, chapter 9A.

(3) Whenever a security interest or lien is filed against the electronic record of title for a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile that is subject to two security interests previously perfected under this section and the applicant has requested issuance of a certificate of title under 61-3-201, the department shall endorse on the face of the certificate of title, "NOTICE. This vehicle is subject to additional security interests on file with the Department of Justice." Other information regarding the additional security interests is not required to be endorsed on the certificate.

(4) Upon default under a chattel mortgage or conditional sales contract covering a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile, the mortgagee or vendor has the same remedies as in the case of other personal property. (6) Within 24 hours after receiving notice of any involuntary liens or attachments against the record of any motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile registered in this state, the department shall mail to the owner or any secured party or lienholder of record a notice showing the name and address of the lien claimant, the amount of the lien, the date of execution of the lien, and, in the case of attachment, the full title of the court and the action and the names of the attorneys for the plaintiff and attaching creditor.

(7) (a) This section does not prevent a secured party or lienholder from assigning the secured party's or lienholder's interest in a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile, for which a certificate of title is issued under this chapter, to any other person without the consent of and without affecting the interest of the holder of the certificate of title.

(b) If a secured party assigns all or part of the party's interest in a motor vehicle, trailer, semitrailer, pole trailer, camper, motorboat, personal watercraft, sailboat, or snowmobile for which a certificate of title is issued under this chapter, the secured party assigning the interest shall file a copy of the assignment with the department and the department shall record the assignment in the department's records.

Section 2. Section 75-11-512, MCA, is amended to read:

"75-11-512. Administrative enforcement. (1) When the department believes that a violation of this part or a rule adopted under this part has occurred, it may serve written notice of the violation personally or by certified mail on the alleged violator or the violator's agent. The notice must specify the provision of this part or the rule alleged to be violated and the facts alleged to constitute a violation and may include an order to take necessary corrective action within a reasonable period of time stated in the order. The order becomes

final unless, within 30 days after the notice is served, the person named requests, in writing, a hearing before the board. On receipt of the request, the board shall schedule a hearing. Service by mail is complete on the date of ~~mailing~~ *receipt*.

(2) If, after a hearing held under subsection (1), the board finds that a violation has occurred, it shall either affirm or modify the department's order. An order issued by the department or by the board may prescribe the date by which the violation must cease and may prescribe time limits for particular action. If, after hearing, the board finds that a violation has not occurred, it shall rescind the department's order.

(3) In addition to or instead of issuing an order pursuant to subsection (1), the department may:

(a) require the alleged violator to appear before the board or department, by subpoena or subpoena duces tecum, for a hearing at a time and place specified in the notice to answer the charges complained of or to provide information regarding the alleged violation or its actual or potential impact on the public health and welfare or the environment;

(b) initiate action under 75-11-513, 75-11-514, or 75-11-516; or

(c) assess administrative penalties and issue corrective action orders under 75-11-525.

(4) In the case of disobedience of any subpoena issued and served under this section or of the refusal of any witness to testify as to any material matter with regard to which the witness may be interrogated in a hearing or investigation before the board or the department, the board or department may apply to any district court in the state for an order to compel compliance with the subpoena or the giving of testimony. The court shall hear the matter as expeditiously as possible. If the disobedience or refusal is found to be unjustified, the court shall enter an order requiring compliance. Disobedience of the order is punishable by contempt of court in the same manner and by the same procedures as is provided for like conduct committed in the course of civil actions in district court.

(5) If a person fails to comply with an order issued pursuant to subsection (1) or (3) within the time allowed in the order, the department may enter the property on which the underground storage tank that is in violation is located and temporarily close the tank. If the department finds that permanent closure is necessary to prevent substantial environmental harm or because the owner or operator is unlikely to comply with the order, it may permanently close the tank.

(6) This section does not prevent the board or department from making efforts to obtain voluntary compliance through warning, conference, or any other appropriate means."

Section 3. Section 75-11-525, MCA, is amended to read:

"75-11-525. Administrative penalties for violations — appeals — venue. (1) (a) A person who violates any of the provisions of this part or any rules promulgated under the authority of this part may be assessed and ordered by the department to pay an administrative penalty not to exceed $500 for each violation. This limitation on administrative penalties applies only to penalties assessed under this section. Each occurrence of the violation and each day that it remains uncorrected constitutes a separate violation. The department may suspend a portion of the administrative penalty assessed under this section if the condition that caused the assessment of the penalty is corrected within a specified time. Assessment of an administrative penalty under this section may

be made in conjunction with any order or other administrative action authorized by this chapter.

(b) Penalties assessed under this subsection (1) must be determined in accordance with the penalty factors in 75-1-1001.

(2) When the department assesses an administrative penalty under this section, it must have written notice served personally or by certified mail on the alleged violator or the violator's agent. For purposes of this chapter, service by mail is complete on the day of ~~receipt~~ *receipt*. The notice must state:

(a) the provision alleged to be violated;

(b) the facts alleged to constitute the violation;

(c) the amount of the administrative penalty assessed under this section;

(d) the amount, if any, of the penalty to be suspended upon correction of the condition that caused the assessment of the penalty;

(e) the nature of any corrective action that the department requires, whether or not a portion of the penalty is to be suspended;

(f) as applicable, the time within which the corrective action is to be taken and the time within which the administrative penalty is to be paid; *and*

(g) the right to appeal or to a hearing to mitigate the penalty assessed ~~and the time, place, and nature of any hearing; and~~

~~(h) that a formal proceeding may be waived~~.

(3) ~~The department shall provide each~~ *A* person assessed a penalty under this section ~~an opportunity for~~ *may request* a hearing *before the board* to either contest the alleged violation or request mitigation of the penalty. The contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, part 6, apply to a hearing conducted under this section. If a hearing is held under this section, it must be held in Lewis and Clark County or the county in which the alleged violation occurred. ~~This subsection does not apply until the department gives written notice, served personally or by certified mail, to the alleged violator or the violator's agent. For the purposes of this chapter, service by mail is complete on the day of receipt. The notice must state:~~

~~(a) the provision allegedly violated;~~

~~(b) the facts that constitute the alleged violation;~~

~~(c) the specific nature of any corrective action that the department requires, estimated costs of compliance with the action, and where to receive help to correct the alleged violation; and~~

~~(d) a timetable that a reasonable person would consider appropriate for compliance with the alleged violations.~~

~~(4) The department shall publish a schedule of maximum and minimum penalties for specific violations. In determining appropriate penalties for violations, the department shall consider the gravity of the violations and the potential for significant harm to the public health or the environment. In determining the appropriate amount of penalty, if any, to be suspended upon correction of the condition that caused the penalty assessment, the department shall consider the cooperation and the degree of care exercised by the person assessed the penalty, how expeditiously the violation was corrected, and~~

~~whether significant harm resulted to the public health or the environment from the violation.~~

~~(5)~~*(4)* If the department is unable to collect an administrative penalty assessed under this section or if a person fails to pay all or any portion of an administrative penalty assessed under this section, the department may take action in district court to recover the penalty amount and any additional amounts assessed or sought under this chapter. The action must be brought in the district court of the county in which the violation occurred or, if mutually agreed on by the parties in the action, in the district court of the first judicial district, Lewis and Clark County.

~~(6)~~*(5)* Action under this section does not bar action under this chapter or any other remedy available to the department for violations of underground storage tank laws or rules promulgated under those laws.

~~(7)~~*(6)* Administrative penalties collected under this section must be deposited in the state general fund."

Section 4. Saving clause. [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

Section 5. Effective date. [This act] is effective on passage and approval.

(2) as a partnership if it consists of more than a single member and it is not established as a corporation pursuant to the provisions of the Internal Revenue Code for income tax purposes; or

(2) "Base period" means the first 4 of the last 5 completed calendar quarters immediately preceding the first day of an individual's benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state. (1) An insurer acquiring ownership of a motor vehicle that is less than 5 years of age and that the insurer determines to be a salvage vehicle shall surrender the certificate of title to the

department within 15 days after acquiring the certificate of title. If the insurer has not sold the salvage vehicle prior to the time of surrendering the certificate of title, the insurer shall apply for a salvage certificate on a form prescribed by the department. If the certificate of title names one or more holders of a perfected security interest in the motor vehicle, the insurer shall secure and deliver to the department a release from each secured party of the secured interest.

(2) Upon receipt of a properly executed certificate of title and a salvage certificate application from an insurer, the department shall issue a salvage certificate to the insurer within 5 working days of the date of receipt of the application. Upon receipt of a salvage certificate issued by the department, an insurer may possess, retain, transport, sell, transfer, or otherwise dispose of the salvage vehicle. The salvage certificate is prima facie evidence of ownership of a salvage vehicle.

(3) If the insurer sells a salvage vehicle within the 15-day period established in subsection (1) prior to surrendering the certificate of title, the insurer shall complete a salvage receipt on a form prescribed by the department. The insurer shall deliver the original salvage receipt to the salvage vehicle purchaser only after obtaining a clear title and lien release. Prior to disposing of the salvage vehicle, the salvage vehicle purchaser shall apply for a salvage certificate by completing the salvage receipt and submitting it to the department. The insurer shall deliver a copy of the salvage receipt with the surrendered certificate of title to the department. Upon receipt of the certificate of title from the insurer and the application from the salvage vehicle purchaser, the department shall issue a salvage certificate to the salvage vehicle purchaser that is prima facie evidence of ownership.

(4) If an insurer determines that a salvage vehicle will remain with the owner after an agreed settlement, the insurer shall notify the department of the settlement on a form prescribed by the department. Upon receipt of the notice, the department may require the owner to surrender the certificate of title in compliance with this part, regardless of whether ownership of the salvage vehicle was obtained in a jurisdiction not requiring the surrender of the certificate of title or a comparable ownership document.

(5) At the time of surrender of a certificate of title for a salvage vehicle not acquired by an insurer, the department shall issue a salvage certificate to the owner. Upon receipt of a salvage certificate issued by the department to a noninsurer, the owner may possess, retain, transport, sell, transfer, or otherwise dispose of the salvage vehicle. A salvage certificate is prima facie evidence of ownership of a salvage vehicle.

(6) A fee of $5 must be paid to the department for the issuance of a salvage certificate.

(7) A salvage vehicle owned by or in the inventory of a motor vehicle wrecking facility on October 1, 1991, is exempt from the provisions of this section if the owner of the facility has complied with the provisions of ~~75-10-513(2)~~ *[section 5]*."

(3) The sheriff or the city police in the jurisdiction where the vehicle is being stored shall make reasonable efforts to ascertain the name and address of the owner, lienholder, or person entitled to possession of the vehicle taken into custody under 61-12-401. If a name and address are ascertained, the sheriff or the city police shall notify the owner, lienholder, or person of the location of the vehicle.

(4) If the vehicle is registered in the office of the department, notice is considered to have been given when a certified letter addressed to the registered owner of the vehicle and lienholder, if any, at the latest address shown by the records in the office of the department, return receipt requested and postage prepaid, is mailed at least 30 days before the vehicle is sold.

(5) If the identity of the last-registered owner cannot be determined, if the registration does not contain an address for the owner, or if it is impossible to determine with reasonable certainty the identity and addresses of all lienholders, notice by one publication in one newspaper of general circulation in the county where the motor vehicle is being stored is sufficient to meet all requirements of notice pursuant to this part. The notice by publication may contain multiple listings of abandoned vehicles. The notice must be provided in the same manner as prescribed in 25-13-701(1)(b).

[SB 53]

AN ACT PROVIDING A PROCEDURE FOR CREATING A NEW PROFESSIONAL OR OCCUPATIONAL LICENSING BOARD OR PROGRAM; REQUIRING A LETTER OF INTENT TO ACCOMPANY A BILL DRAFT REQUEST FOR A NEW PROFESSIONAL OR OCCUPATIONAL LICENSING BOARD OR PROGRAM; PROVIDING CONDITIONS FOR A LETTER OF INTENT WHEN ADDING PROFESSIONS OR OCCUPATIONS TO EXISTING LICENSING BOARDS; ADDRESSING PROSPECTIVE FEES IN THE LETTER OF INTENT; AND PROVIDING A PROCEDURE FOR REVIEWING EXISTING BOARDS, CONSOLIDATING BOARDS, AND RESOLVING FINANCIAL CONSIDERATIONS FOR REPEALED BOARDS.

WHEREAS, licensing boards or programs provide for self-regulation by professions or occupations and are authorized by the state through its role of protecting public health, safety, or welfare or providing for the common good; and

WHEREAS, documentation regarding the rationale for licensing a profession or occupation is helpful for legislators to use in determining whether the potential increase in cost to the public and limitation on competition are outweighed by the prospective protection of public health, safety, or welfare or provision for the common good; and

WHEREAS, advance information on costs better serves both potential licensees and legislators in determining the cost of a board or a program.

Be it enacted by the Legislature of the State of Montana:

Section 1. Purpose. It is the intent of the legislature to:

(1) exercise the police power of the state through the establishment of licensing boards only when regulation of a profession or occupation benefits the public health, safety, welfare, or common good of the state's residents and that benefit outweighs the potential increased cost to the public and limitation on competition;

(2) recognize those professions or occupations that require specialized skill or training; and

(3) provide the public with a means to determine whether practitioners have met competency standards and to complain if the competency is suspect.

Section 2. Intent to create new board. (1) A bill draft request to create a licensing board must include a letter of intent not exceeding 1,000 words that addresses the criteria in subsections (2) and (3).

(2) The letter of intent must contain the following descriptions:

(a) how licensing would protect and benefit the public and, in particular, how the unregulated practice of the profession or occupation would pose a hazard to public health, safety, or welfare or the common good;

(b) the extent of practitioners' autonomy, as indicated by the degree of independent judgment that a practitioner may exercise or the extent of skill or experience required in making the independent judgment;

(c) the distinguishable scope of practice;

(d) the overlap or shared practices with an existing, licensed profession or occupation;

(e) the degree, if any, to which licensing would restrict entry into the profession or occupation for reasons other than public health, safety, or welfare or the common good;

(f) the specialized skills or training required for the profession or occupation;

(g) the proposed qualifications for licensure;

(h) whether a licensure exception would be provided to existing practitioners and whether those eligible for the exception would be required to meet proposed qualifications at a certain time;

(i) a list of other states that license the profession or occupation;

(j) regulatory alternatives other than licensing that are available to the practitioners of the profession or occupation; and

(k) previous efforts, if any, to regulate the profession or occupation.

(3) In order to help in the determination of licensing costs, the letter of intent must contain a good faith effort to provide answers to the following questions:

(a) how many licensees are anticipated, including the number of practitioners in Montana;

(b) what is the proposed makeup of the licensing board; and

(c) what are the projected annual licensing fees based on information from the department of labor and industry for all costs associated with a board of the projected size.

(4) After receiving a copy of the responses to subsections (2), (3)(a), and (3)(b), the department of labor and industry shall assist those developing the letter of intent under [section 3] or this section with the responses to subsection (3)(c) of this section.

(5) For the purposes of this section, a letter of intent is a public record.

Section 3. Intent to combine profession or occupation with existing board. (1) A bill draft request that proposes to license a profession or occupation by combining that profession or occupation with an existing board must contain a letter of intent if one of the following conditions applies:

(a) the profession or occupation to be licensed falls under the supervisory authority of a profession or occupation with an existing board; or

(b) the profession or occupation to be licensed has an overlapping scope of practice or dual licensure with a profession or occupation under an existing board.

(2) A letter of intent to combine with an existing board must contain responses to the questions provided in [section 2].

(3) A letter of intent under this section is a public record.

Section 4. Interim committee review of licensing boards and programs — criteria — repeal — consolidation. (1) (a) Before January 1 of each even-numbered year, a legislative interim committee responsible for monitoring licensing boards and programs shall notify the department to which licensing boards or programs are administratively attached if the committee plans to review one or more licensing boards or programs to determine the need for a board or a program and the financial solvency or appropriate administrative attachment of the board or program.

(b) A review under subsection (1)(a) is separate from a performance audit conducted by the legislative audit committee.

(2) The focus of a review under subsection (1)(a) is:

(a) to determine whether a board or program continues to be needed to protect public health, safety, or welfare or the common good by addressing the following questions:

(i) does the improper practice of the profession or occupation pose a physical, financial, or emotional threat to public health, safety, or welfare and is there evidence of harm from improper practice; and

(ii) does the practice of the profession or occupation require specific training or skills that make evaluation of competency difficult for the consumer; or

(b) to assess the financial solvency of the board or program and the impact on consumers and on licensees if higher fees are projected for the next biennium.

(3) After the review, the legislative interim committee may draft legislation to:

(a) repeal the board or program if the board or program is no longer needed for public health, safety, or welfare or the common good; or

(b) combine a board with other licensing boards if a board meets the criteria in subsection (2)(a) but has one of the following criteria:

(i) is expected to have higher fees than if the board operates in combination with another board with similar interests;

(ii) has fewer than 200 licensees; or

(iii) has no or a limited number of complaints each year.

(4) The legislative interim committee, after a review of the administrative attachment of a board or program, may propose legislation to administratively attach the board or program to a department that has responsibilities related to the board or program.

Section 5. Repeal of licensing board or program law — deposit of fees. (1) If the legislature repeals a licensing board or program law, the department of labor and industry may collect only delinquent licensing fees or fines, if provided by law, on behalf of the repealed licensing board or program. Continuing education and other requirements for maintaining a license cease with the effective date of the repeal.

(2) (a) Fees collected on behalf of a board or program that is proposed to be repealed must be deposited in the state special revenue fund for the use of the board or program.

(b) Fees that are not needed for satisfying debt obligations of the board or program may be used by the department to offset the costs to the department of all boards and programs.

Section 6. Codification instruction. [Sections 1 through 5] are intended to be codified as an integral part of Title 2, chapter 8, and the provisions of Title 2, chapter 8, apply to [sections 1 through 5].

Section 7. Saving clause. [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

~~(f)~~*(h)* order further care and treatment as the court considers in the best interests of the child that does not require an expenditure of money by the department unless the department consents and informs the court that resources are available for the proposed care and treatment. (4) (a) If the court awards temporary legal custody of an abandoned child other than to the department or to a noncustodial parent, the court shall award temporary legal custody of the child to a member of the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, if:

(i) placement of the abandoned child with the extended family member is in the best interests of the child;

the child. The department shall provide the reasons for any denial to the court. The court shall include the reasons for denial in the court order if the family member who is denied temporary legal custody requests it to be included.

(5) If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with permanency for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with a permanent plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If the court finds that reasonable efforts are not necessary pursuant to 41-3-442(1) or subsection (5) of this section, a permanency hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(7) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 2. Section 41-3-442, MCA, is amended to read:

"41-3-442. Temporary legal custody. (1) If a child is found to be a youth in need of care under 41-3-437, the court may grant temporary legal custody under 41-3-438 if the court determines by a preponderance of the evidence that:

(a) dismissing the petition would create a substantial risk of harm to the child or would be a detriment to the child's physical or psychological well-being; and

(b) unless there is a finding that reasonable efforts are not required pursuant to 41-3-423, reasonable services have been provided to the parent or guardian to prevent the removal of the child from the home or to make it possible for the child to safely return home.

(2) An order for temporary legal custody may be in effect for no longer than 6 months.

(3) The granting of temporary legal custody to the department allows the department to place a child in care provided by a custodial or noncustodial parent, kinship foster home, youth foster home, youth group home, youth shelter care facility, or institution.

(4) Before the expiration of the order for temporary legal custody, the county attorney, the attorney general, or an attorney hired by the county shall petition for one of the following:

(6) If an extension of temporary legal custody is granted to the department, the court shall state the reasons why the child was not returned home and the conditions upon which the child may be returned home and shall specifically find that an extension is in the child's best interests.

(7) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child.

(8) In implementing the policy of this section, the child's health and safety are of paramount concern.

(9) A petition requesting temporary legal custody must be served as provided in 41-3-422."

Section 3. Section 41-3-445, MCA, is amended to read:

"41-3-445. Permanency hearing. (1) (a) (i) Subject to subsection (1)(b), a permanency hearing must be held by the court or, subject to the approval of the court and absent an objection by a party to the proceeding, by the foster care review committee, as provided in 41-3-115, or the citizen review board, as provided in 41-3-1010:

(A) within 30 days of a determination that reasonable efforts to provide preservation or reunification services are not necessary under 41-3-423, 41-3-438(6), or 41-3-442(1); or

(B) no later than 12 months after the initial court finding that the child has been subjected to abuse or neglect or 12 months after the child's first 60 days of removal from the home, whichever comes first.

(ii) Within 12 months of a hearing under subsection (1)(a)(i)(B) and every 12 months thereafter until the child is permanently placed in either an adoptive or a guardianship placement, the court or the court-approved entity holding the permanency hearing shall conduct a hearing and the court shall issue a finding as to whether the department has made reasonable efforts to finalize the permanency plan for the child.

(b) A permanency hearing is not required if the proceeding has been dismissed, the child was not removed from the home, the child has been returned to the child's parent or guardian, or the child has been legally adopted or appointed a legal guardian.

(c) The permanency hearing may be combined with a hearing that is required in other sections of this part or with a review held pursuant to 41-3-115 or 41-3-1010 if held within the applicable time limits. If a permanency hearing is combined with another hearing or a review, the requirements of the court related to the disposition of the other hearing or review must be met in addition to the requirements of this section.

(d) The court-approved entity conducting the permanency hearing may elect to hold joint or separate reviews for groups of siblings, but the court shall issue specific findings for each child.

(2) At least 3 working days prior to the permanency hearing, the department shall submit a report regarding the child to the entity that will be conducting the hearing for review. The report must address the department's efforts to effectuate the permanency plan for the child, address the options for the child's permanent placement, examine the reasons for excluding higher priority options, and set forth the proposed plan to carry out the placement decision, including specific times for achieving the plan.

(3) At least 3 working days prior to the permanency hearing, the guardian ad litem or an attorney or advocate for a parent or guardian may submit an informational report to the entity that will be conducting the hearing for review.

(4) (a) The court's order must be issued within 20 days after the permanency hearing if the hearing was conducted by the court. If a member of the child's extended family, including an adult sibling, grandparent, great-grandparent, aunt, or uncle, has requested that custody be awarded to that family member or that a prior grant of temporary custody with that family member be made permanent, the department shall investigate and determine if awarding custody to that family member is in the best interests of the child. The department shall provide the reasons for any denial to the court. If the court accepts the department's custody recommendation, the court shall inform any denied family member of the reasons for the denial to the extent that confidentiality laws allow. The court shall include the reasons for denial in the court order if the family member who is denied custody requests it to be included.

(b) If an entity other than the court conducts the hearing, the entity shall keep minutes of the hearing and the minutes and written recommendations must be provided to the court within 20 days of the hearing.

(c) If an entity other than the court conducts the hearing and the court concurs with the recommendations, the court may adopt the recommendations as findings with no additional hearing required. In this case, the court shall issue written findings within 10 days of receipt of the written recommendations.

(5) The court shall approve a specific permanency plan for the child and make written findings on:

(a) whether the permanency plan is in the best interests of the child;

(b) whether the department has made reasonable efforts to finalize the plan; and

(c) other necessary steps that the department is required to take to effectuate the terms of the plan.

(6) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the options provided in subsection (7) and that does not require an expenditure of money by

the department unless the court finds after notice and a hearing that the expenditures are reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(7) Permanency options include:

(a) reunification of the child with the child's parent or guardian;

(b) permanent placement of the child with the noncustodial parent, superseding any existing custodial order;

~~(b)~~*(c)* adoption;

~~(c)~~*(d)* appointment of a guardian pursuant to 41-3-444; or

~~(d)~~*(e)* long-term custody if the child is in a planned permanent living arrangement and if it is established by a preponderance of the evidence, which is reflected in specific findings by the court, that:

(i) the child is being cared for by a fit and willing relative;

(ii) the child has an emotional or mental handicap that is so severe that the child cannot function in a family setting and the best interests of the child are served by placement in a residential or group setting;

(iii) the child is at least 16 years of age and is participating in an independent living program and that termination of parental rights is not in the best interests of the child;

(iv) the child's parent is incarcerated and circumstances, including placement of the child and continued, frequent contact with the parent, indicate that it would not be in the best interests of the child to terminate parental rights of that parent; or

(v) the child meets the following criteria:

(A) the child has been adjudicated a youth in need of care;

(B) the department has made reasonable efforts to reunite the parent and child, further efforts by the department would likely be unproductive, and reunification of the child with the parent or guardian would be contrary to the best interests of the child;

(C) there is a judicial finding that other more permanent placement options for the child have been considered and found to be inappropriate or not to be in the best interests of the child; and

(D) the child has been in a placement in which the foster parent or relative has committed to the long-term care and to a relationship with the child, and it is in the best interests of the child to remain in that placement.

(8) The court may terminate a planned permanent living arrangement upon petition of the birth parents or the department if the court finds that the circumstances of the child or family have substantially changed and the best interests of the child are no longer being served."

The lands that comprise the United States Fort Keogh Livestock and Range Research Laboratory are depicted on the map attached as Appendix 1 to this Compact.2

(15) "Water Spreading" means surface flood irrigation involving the diversion of occasional (flood or runoff) surface water from natural, usually nonperennial, watercourses by means of dams, dikes, or ditches or a combination of these. It differs from conventional irrigation because it is totally dependent on and regulated by the availability of water, not crop needs.

WATER RIGHT

The Parties agree that the following water rights are in settlement of all of the United States' federal reserved water rights for the U.S. Sheep Experiment Station.

A. **Purpose of Reservation for the U.S. Sheep Experiment Station.**

The U.S. Sheep Experiment Station was created for agricultural experiment purposes, and the land in Montana was set aside for experimental sheep grazing by Executive Order No. 3767, dated December 19, 1922.

B. **Quantification.**

Subject to the terms of Article III, the United States has federal reserved water rights from sources located on the U.S. Sheep Experiment Station as described below.

The United States has federal reserved rights on U.S. Sheep Experiment Station lands for Consumptive use for stockwatering purposes at the 53 locations identified in the table attached as Appendix 2 for the volume of water identified. Abstracts for each of these federal reserved water rights are attached

as Appendix 3 to this Compact. In the event of a discrepancy between the summary of U.S. Sheep Experiment Station water rights in Appendix 2 and the Abstracts contained in Appendix 3, the Abstracts in Appendix 3 control. The period of use of the United States' water rights for Consumptive use set forth in Article II, section B.1., shall be from May 1 to October 31 of each year.

The rights specified in the Abstracts are subject to the terms of this Compact.

B. **Enforcement and Administration of Water Right.**

1. The United States, the State, or a holder of a water right recognized under state law may petition a state or federal court of competent jurisdiction for relief when a controversy arises between the United States' reserved water rights described by this Compact and a holder of a water right recognized under state law. (b) the total use shall not exceed the amount described in this Compact; and

(c) the change shall not adversely affect a senior water right recognized under state law.

2. The United States' federal reserved water right to divert or withdraw water for emergency fire suppression as described in Article II, section B.3., shall not be changed to any other use.

Section 11. Section 2-18-303, MCA, is amended to read:

"2-18-303. Procedures for ~~using~~ *administering broadband* pay ~~schedules~~ *plan*. ~~(1) The pay schedule provided in 2-18-312 must be implemented as follows:~~

~~(b) Each employee newly hired by the state of Montana must be hired at the entry rate, except as provided in subsections (5) through (9).~~

~~(c)~~*(1) (a)* On the first day of the first complete pay period in fiscal year ~~2006~~ *2008*, each employee is entitled to the amount of the employee's base salary as it was on June 30, ~~2005~~ *2007*.

~~(d)~~*(b)* Effective on the first day of the first complete pay period that includes ~~an employee's anniversary date during the fiscal year ending June 30, 2006~~ *October 1, 2007*, the base salary of each employee must be increased by ~~3.5% or $1,005, based upon 2,080 annual hours in a pay status, whichever is greater~~ *3%*. Effective on the first day of the first complete pay period that includes ~~an~~ employee's anniversary date during the fiscal year ending June 30, 2007 *October 1, 2008*, the base salary of each employee must be increased by ~~4% or $1,188, based upon 2,080 annual hours in a pay status, whichever is greater~~ *3%*. ~~For employees hired on or before September 30, 2005, the anniversary date is October 1.~~

(2) (a) Effective October 1, 2007, and October 1, 2008, the appropriation that represents 6/10 of 1% of the salary for each full-time equivalent position must be allocated to each agency to distribute to its employees for reasons including but not limited to market progression, job performance, or employee competencies.

(b) To the extent that this distribution applies to employees within a collective bargaining unit, the distribution is a negotiable subject under Title 39, chapter 31. The amount of money allocated to agencies and available to distribute to members of each bargaining unit must be determined by multiplying the salaries of the total number of full-time equivalents in the bargaining unit by 6/10 of 1%.

(c) The allocation described in subsection (2)(b) may not be distributed to members of a collective bargaining unit until the employer's collective bargaining representative receives written notice that the employee's collective bargaining unit has ratified a pay addendum to the collective bargaining agreement specifying the distribution.

~~(c)~~*(3)* An employee's base salary may be no less than the *pay band* entry salary for the employee's assigned ~~grade~~ *occupation*.

~~(2) The pay schedule provided in 2-18-312 and the provisions of subsections (1)(a) through (1)(d) of this section do not apply to those employees who are members of collective bargaining units that have collectively bargained to participate in a separate or alternative classification and pay plan or who are covered under subsections (5) and (6) of this section.~~

~~(3)~~*(4)* (a) (i) ~~If the legislature authorizes a pay increase for state employees, a~~ *A* member of a bargaining unit may not receive ~~a~~ *the* pay increase *provided for in subsection (1)(b)* until the employer's collective bargaining representative receives written notice that the employee's *collective* bargaining unit has ratified a ~~completely integrated~~ collective bargaining agreement.

(ii) If ratification of a ~~completely integrated~~ collective bargaining agreement, as required by subsection ~~(3)(a)(i)~~ *(4)(a)(i)*, is not completed by the date on which a legislatively authorized pay increase is implemented, members of the bargaining unit must continue to receive the compensation that they were receiving until an agreement is ratified.

(b) Methods of administration ~~not inconsistent~~ *consistent* with the purpose of this part and necessary to properly implement the pay ~~schedules and~~ adjustments provided *for* in ~~2-18-312 and~~ this section may be provided for in collective bargaining agreements.

~~(4)~~*(5)* The current wage or salary of an employee may not be reduced by the implementation of the *broadband* pay ~~schedules~~ *plan* ~~provided for in 2-18-312~~.

~~(5) The department may authorize a separate pay schedule for classes of medical professionals if the rates provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified professionals.~~

~~(6) (a) The department may develop and implement an alternative pay and classification plan for certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan may be established and changed based on demonstrated competencies and accomplishments, on the labor market, and on other situations defined by the department.~~

~~(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.~~

~~(7) The department may develop programs that enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. To the extent that the program applies to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.~~

~~(8) The department shall review the competitiveness of the compensation provided to all occupations under this part. If the department finds that substantial problems exist with recruitment and retention because of inadequate salaries when compared to competing employers, the department may establish criteria allowing an adjustment in pay or classification to mitigate the problems. To the extent that these adjustments apply to employees within a collective bargaining unit, the implementation of these adjustments is a negotiable subject under 39-31-305.~~

~~(9)~~*(6)* (a) Montana highway patrol officer base salaries and biennial salary increases must be established through ~~an alternative pay and classification~~ *the broadband pay* plan. Before January 1 of each odd-numbered year, the department shall, after seeking the advice of the Montana highway patrol, conduct a salary survey to be used in establishing the base salary and any biennial salary increase for existing and entry-level highway patrol officer positions. The county sheriff's offices in the following consolidated governments and counties are the labor market for purposes of the survey: Butte-Silver Bow, Cascade, Yellowstone, Missoula, Lewis and Clark, Gallatin, Flathead, and Dawson. The base salary and biennial salary increases for existing and entry-level highway patrol officer positions must then be determined by the department of justice, using the results of the salary survey and the department of justice pay plan guidelines. Base or biennial salary increases under this subsection are exclusive of and not in addition to any increases otherwise awarded to other state employees after July 1, 2006.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(c) The *department of justice shall submit the* salary survey ~~must be submitted~~ to the office of budget and program planning as a part of the information required by 17-7-111.

(d) ~~(i) Except as provided in subsection (9)(d)(ii), the~~ *The salary* survey and plan must be completed at least 6 months before the start of each regular legislative session.

~~(ii) The first survey must be completed by January 1, 2006, for the plan to be implemented for the first full pay period in fiscal year 2007.~~"

(b) subject to applicable constitutional or statutory provisions:

(i) a temporary rule is effective immediately upon filing with the secretary of state or at a stated date following publication in the register; and

(ii) an emergency rule is effective at a stated date following publication in the register or immediately upon filing with the secretary of state if the agency finds that this effective date is necessary because of imminent peril to the public health, safety, or welfare. The adoption by an agency of all or part of the model rules does not relieve the agency from following the rulemaking procedures required by this chapter."

Section 2. Section 2-4-302, MCA, is amended to read:

"2-4-302. Notice, hearing, and submission of views. (1) Prior to the adoption, amendment, or repeal of any rule, the agency shall give written notice of its intended action. The notice must include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, the reasonable necessity for the intended action, and the time when, place where, and manner in which interested persons may present their views on the intended action. The reasonable necessity must be written in plain, easily understood language. If the agency proposes to adopt, increase, or decrease a

monetary amount that a person shall pay or will receive, such as a fee, cost, or benefit, the notice must include an estimate, if known, of:

(a) the cumulative amount for all persons of the proposed increase, decrease, or new amount; and

Each agency shall create and maintain a list of interested persons and the subject or subjects in which each person on the list is interested. A person who submits a written comment or attends a hearing in regard to proposed agency action under this part must be informed of the list by the agency. An agency complies with this subsection if it includes in the notice an advisement explaining how persons may be placed on the list of interested persons and if it complies with subsection (7).

(b) The appropriate administrative rule review committee shall forward a list of all organizations or persons who have submitted a request to be informed of agency actions to the agencies that the committee oversees that publish rulemaking notices in the register. The list must be amended by the agency upon request of any person requesting to be added to or deleted from the list.

(c) The notice required by subsections (1) and (2)(a) must be published and ~~mailed~~ *sent* at least 30 days in advance of the agency's intended action. In addition to publishing and ~~mailing~~ *sending* the notice under subsection (2)(a), the agency shall post the notice on a state electronic access system or other electronic communications system available to the public.

(d) The agency shall also, at the time that its personnel begin to work on the substantive content and the wording of the initial rule proposal to implement one or more statutes, notify the sponsor of the legislative bill that enacted the section.

(3) If a statute provides for a method of publication different from that provided in subsection (2), the affected agency shall comply with the statute in addition to the requirements contained in this section. However, the notice period may not be less than 30 days or more than 6 months.

In the case of substantive rules, the notice of proposed rulemaking must state that opportunity for oral hearing must be granted if requested by either 10% or 25, whichever is less, of the persons who will be directly affected by the proposed rule, by a governmental subdivision or agency, by the appropriate administrative rule review committee, or by an association having not less than 25 members who will be directly affected. If the

proposed rulemaking involves matters of significant interest to the public, the agency shall schedule an oral hearing.

(5) An agency may continue a hearing date for cause. In the discretion of the agency, contested case procedures need not be followed in hearings held pursuant to this section. If a hearing is otherwise required by statute, nothing in this section alters that requirement.

(6) If an agency fails to publish a notice of adoption within the time required by 2-4-305(7) and the agency again proposes the same rule for adoption, amendment, or repeal, the proposal must be considered a new proposal for purposes of compliance with this chapter.

(7) At the commencement of a hearing on the intended action, the person designated by the agency to preside at the hearing shall:

(a) read aloud the "Notice of Function of Administrative Rule Review Committee" appearing in the register; and

(2) The secretary of state shall send the register without charge to each person listed in 2-4-313(1) and to each member of the legislature requesting the register. The secretary of state shall send the register to any other person who pays a subscription fee, which must be established and deposited in accordance with 2-15-405. *The register must be sent in electronic format unless a hard copy is requested.*

(3) The register must contain three sections, a rules section, a notice section, and an interpretation section, as follows:
